The Employers' Liability Tracing Office (ELTO) is an independent industry body comprising members who are EL Insurers. ELTO is a proactive move by the insurance industry to meet its obligations to help those who have suffered injury or disease in the workplace to identify the relevant insurer quickly and efficiently. At the heart of this process is a centralised database – The Employers' Liability Database (ELD).

Covéa Insurance has joined ELTO and as such are required to supply policy data to the ELD. Below is a record of Your Employer reference Number(s) (ERN) to be insured by this policy.
