Job Description

Construction Materials Technology Trainer

Chatham, Kent

£41211 - £44094 + Excellent Benefits

A great opportunity to join a collaborative and dynamic team delivering instruction in Construction Materials Technology at a unique training facility in Chatham, Kent.

Are you an enthusiastic and committed individual, with strong communication skills, a passion to train others and prepared to extend your own skills and knowledge?

Excellent benefits which include:

- Six weeks paid holiday (plus bank holidays)
- Generous contributory pension
- Funding for continuous professional development and personal growth
- Mental Health and Wellbeing support
- Private healthcare
- Cycle to work scheme
- On-site gym

Your role:

- Deliver training at Level 3 and Level 5 in Construction Materials Technology.
- Deliver training in materials laboratory testing of soils, aggregates and concrete and design (training can be provided).
- 37 hours per week, Monday to Friday
- Complete a full teacher training qualification within the first 3 years of contract commencement (full teacher training package will be provided)

Additional experience to support your application:

- Knowledge and experience of British Standard laboratory testing
- Experience of working within a laboratory setting
- Knowledge of earth work construction materials
- Formal or informal teaching roles
- Knowledge & experience of e-learning and e-assessment tools
- Knowledge and experience of Microsoft Office Applications

The company is committed to creating a diverse and inclusive workplace, all applications will be considered. We provide support through our Mental Health First
