

Job Specification

For: Videographer

Ref: VR/01293

Job Description

Chatham, Kent

£27500 + Excellent Benefits

Videographer / Video Producer required to craft impactful educational information films for students at a unique training facility in Chatham. 12-month fixed term contract. The Videographer / Video Producer will work alongside colleagues, clients, and subject matter experts in the filming of locations, people, equipment and appropriate learning instances.

Enjoy a competitive salary of £27,500 plus an array of excellent benefits, including a 37-hour working week, generous holidays (6 weeks + banks holidays), pension scheme, private healthcare, on-site gym facilities, sick pay, cycle to work scheme, and ongoing professional development.

You'll be responsible for identifying equipment to be used for each filming location, the setting up of cameras, audio recorders, lighting, microphones, and props, whilst liaising with the client for the optimum filming solution.

Using creativity and attention to detail, you will have knowledge of video production stages and postproduction techniques. You will be keen to research and implement new technologies and will be able to travel to sites to undertake filming.

Knowledge and experience to support Videographer / Video Producer application:

- Ability to create and develop multimedia (audio/video) content.
- Film on set in different locations – happy to travel away from home in the UK a few days per month.
- Creative thinking with an excellent eye for detail
- Knowledge of the 5 stages of video production:
 - Step 1: Idea Development.
 - Step 2: Pre-Production/Scripting.
 - Step 3: Production.
 - Step 4: Postproduction.
 - Step 5: Distribution
- Knowledge of post-production techniques
- Use of computer software used for planning, editing, and scripting.
- Comply with project time management requirements.
- Continue to research and implement current video creation trends and practices.
- Ability to use current video editing software (Adobe Creative Suite)
- Coordinate video recording schedules and plans with staff, SMEs, and clients.
- Adding computer graphics, closed captions, and other effects to video footage
