

Job Specification

For: Electrical Theory Trainer

Ref: VR/01431

Job Description

£46K - £49K + Excellent Benefits
Chatham, Kent

Experienced Electrical Engineer / Electrician who enjoys electrical theory, science and maths required for a rewarding teaching role in a disciplined, professional setting. Are you ready to inspire eager military students?

By joining the company as an Electrical Theory Trainer, you'll be a vital part of the Trade Instructors team, sharing your electrical expertise with a new generation. Enjoy a competitive salary of £46K - £49K plus excellent benefits, including a 37-hour working week, generous holidays (6 weeks + banks holidays), pension scheme, private healthcare, on-site gym, mental health wellbeing, sick pay, cycle to work scheme, and ongoing professional development.

No formal teaching background? No problem! The company offers full support to attain teaching qualifications and enhance your instructional skills through tailored courses. If you've mentored trainees or apprentices and aspire to transition into a teaching career, seize this ideal chance to make a difference. The company has a long and very successful partnership contract with the Royal School of Military Engineering, providing a wide range of training.

Electrical Trainer experience:

- HNC or above in Electrical Engineering with strong theoretical knowledge
- Capable of teaching electrical theory, maths and science to levels 3 and 4
- Previous teaching experience or having trained others in the workplace (+ willingness to achieve funded teaching qualifications).

Additional desirable experience to support your application:

An understanding of;

Domestic and Commercial electrical installations - Single and 3 phase
1st Fix, Conduit, Tray work, Single Core, Multi Core Inspection, Testing and Commissioning

Power Production and Distribution

C&G 236 Pt 1&2 / 2330 / 2365 / 2357 / 2391 / 2396

A1 Assessor

V1 Quality Assurance
