

## Job Specification

**For: Mobile Plant Fitter**

Ref: VR/01429

### Job Description

---

This plant hire company has been serving the construction industry with high-quality service for over 40 years.

We are looking for an experienced heavy plant fitter to join our team to maintain our ever-growing plant fleet.

The role will be predominantly based around Sussex, Hampshire, Southampton, Surrey & Reading with occasional travel further afield. Plant yard is based in Bordon, Working hours are 5 days a week, times 7.00 to 16.30 with company van and fuel card.

The successful candidate must:

- Have strong experience in diagnosis of plant failure.
- Be able to use a Mig & Arc welding equipment.
- To undertake other service work and repair work to vehicles as and when required.
- Have a Full UK Driving Licence for at least 3 years and have experience driving a 3.5 tonne vehicle (or similar).
- Attention to detail.
- Able to work under own initiative but also a team player.

Should be competent and capable to carry out services and maintenance on the below equipment:

- Excavators
- Dumpers
- Rollers
- Telehandler
